

Activities Committee Application

The Friends of Ford's Pond Activities Committee will organize and facilitate our first programming at Ford's Pond Community Park (e.g., demonstrations, readings, walks, games, participation arts/music, and presentations). We seek volunteers who want to add fun, free, weekly/monthly activities to encourage community members of all ages and abilities to visit the park regularly. These will be small-scale activities aimed at 25 participants. Our first meeting will be in January 2025.
